

A half day camp designed for young explorers.

CAMP DISCOVERY

\$90/SESSION, AGES 3-6 YEARS OLD

6 SESSIONS: MON-THUR, 9-11:30 AM

From crafts to hikes your child will have a wonderful experience learning about the natural world around them.

June 4-7 Dig, Dig, Dig

Dig in to learn about animals that burrow and have fun digging in the sand and soil during this camp.

June 11-14 Forest Builders

Build with sticks, tree cookies, and other natural items. Learn about our forest friends and explore their nests, hidey holes, and more.

June 18-21 Outdoor Classroom

Spend camp digging, building, and splashing in the Edna Shields Outdoor Play Space at the Nature Center.

June 25-28 Splish, Splash

We'll explore the pond's edge, learn about animals that live in or around water, and have fun playing in the water too.

July 9-12 Animals, Head to Toe

Learn how animals move. Frogs hop, snakes slither, fish swim and bison roll in the dirt. We'll visit our live exhibit animals and explore and play in the outdoors.

July 16-19 Sticks, Stones, and Pinecones

From seed pods to twigs we'll search for natural treasures and use them to count, create patterns, build, and explore.

- Camp activities are planned around each week's nature-based theme.
- Camp t-shirt is included in registration.
- Campers meet in the Prairie Building Preschool Classroom at the Nature Center.
