

FROM THE TRAILS

OF THE PIONEERS PARK NATURE CENTER

AUGUST-DECEMBER

TOTAL SOLAR ECLIPSE

The partial eclipse begins just after 11:30 am and will end by 2:30 pm. Totality will occur just after 1:00 pm in Lincoln and will range in length from almost 2 minutes in the most southern edge of Lincoln to only a few seconds in the northeast corner of town. A blanket to lay down or a lawn chair to recline in is recommended as the sun will be high in the sky during this event.

DO NOT look directly at the sun without proper eye protection! Sunglasses will not protect your eyes. Only approved solar filters allow adequate eye protection when viewing the sun. Total eclipse viewing glasses may be purchased at the Nature Center gift shop prior to the eclipse.

Mystery on the Prairie

6 - 9 pm

\$30/person

\$25 for Friends Members

An evening of mystery set in 1890 in Coyote Canyon, Nebraska. Drinks, dinner, and theatre make for an entertaining night you won't want to miss. You will be witness to the challenges of life in Coyote Canyon. We will walk around the Nature Center to the school, town pub, general store, and boarding house to hear the local gossip and get an insight into who done it. Wear comfortable shoes for walking and be prepared for a lively night. Guests are encouraged to dress in character as we will have a costume contest with a prize for the best dressed. This is a fundraising event benefiting the Friends of Pioneers Park Nature Center. More information and tickets available at Inknaturecenter.org.

We look forward to seeing you at our next event.

We are fortunate to be able to provide a dynamic Nature Center, open to everyone, year-round, with a wide range of programming.

Through fundraising events and memberships the Friends provide scholarships for children to attend the Nature Center Preschool/Pre-K program and summer camp. Funds raised also help cover the cost of school hikes and to keep admission to the Nature Center free. In the past, Friends have also purchased artwork and special equipment for the Nature Center. Becoming a member or attending fundraising events helps keep this tradition going. More info about Friends memberships inside.
